PHILADELPHIA— AMC Delancey Group, Inc., based here, and Fairfield, NJ-based Paramount Hotel Group will partner on the development of a new **WESTIN** hotel in Berkeley Heights, NJ. The 228-room hotel will be located at the city's Connell Corporate Park.

The eight-story **WESTIN** Berkeley Heights at Connell Corporate Park will be the first ground-up development project between AMC Delancey and Paramount Hotel Group. The two companies jointly operate three other full-service hotels on the East Coast. To accommodate the market demand for long-term stays, 19 of the hotel's guestrooms will be extended stay suites. The property will also offer 17,000 square feet of meeting space.
